Fire & Smoke

AVAILABLE FROM 12PM

SCANTO ORDER OR OR OR OR ONLINE AT SEALBAYRESORT.CO.UK/ONLINE-ORDERING

Here on 'The Waterfront' in our 'Fire & Smoke' kitchen we have been messing around with smoke, fire, heat and a whole load of passion to cook up a list of dishes we are sure you are going to enjoy.

There are our traditional signature dishes and favourites but also some new ones to try. Something on the menu from early lunch to late evening; for fullon dining or just a light meal; great food for grazing, and chilling out with an ice-cold beer, or a chilled glass of something during those 'vacation' days and warm evenings.

Using the essence of the American Smokehouse BBQ, we have blended that with the freshness of some twists and flavours from the UK and the Mediterranean to create our very own scene at Smokey's Ocean Bar & BBQ Kitchen.

Our house-smoked meats are cooked 'long 'n' low' in our smoking ovens using our own special rubs, and 'Whisky-Oak' smoke - made from the wood from old whisky barrels.

'King of the Smokey's' is our UK Packer Beef Brisket used in our signature BBQ Platter, Smokey's Stacks and also in some of our other dish builds. This marvellous cut of Beef is heavily marbled in natural fat which is slowly rendered down in the smoking and cooking process to produce a truly fantastic flavour. This smoking process can produce a pink tinge to the meat which should not be mistaken as undercooking. No way - our smoked Brisket is 12+ hours in the making.

Sticky Short Rib, Turkey, Pulled Pork, Bacon, and Sausage also get our special love and attention in 'Fire & Smoke', along with Wings and even our house-made Meatballs, Queso [spicy cheese sauce] and Two Beef Chilli.

We also have some special grilled dishes on the menu to conjure up some BBQ style magic; and yes - we've got some Vegetarian and Vegan style dishes too.

Our food is best tasted with your fingers - yes, it's what they call 'dirty food' - best eaten with your hands so it can get messy, but you can use a knife & fork if you wish. We make it even more of an informal occasion by using some environmentally friendly packaging in amongst our flatware and crockery.

Great tasting, casual food - served in an informal setting is what we are all about. Food - Friends - Fun! Come on down and join us - ENJOY.
